Approval of Training Component - Desalegn Belaynew Workneh

The application for approval of training components which is an obligatory part of your PhD in Humanities and Social Science has been evaluated and approved by Vice Dean Ann Therese Lotherington.

The following courses have been approved as part of your training components:

<i>Courses</i>	<i>Requirement</i>	<i>ECTS</i>	<i>Approved</i>
Philosophy of Science and Research Ethics	10		
HIF-8022 Philosophy of Science for the Humanistic Disciplines, Autumn 2012		7	7
SVF-8038 Research Ethics, Spring 2013		3	3
Subject-specific Theory and Method	20		
LIN-8001 Semantics, Spring 2013		5	5
HIF-8011 Advanced Research Topic in Linguistics II, Autumn 2012		10	5
SPRÅK8880 LingPhil Summer School of 2016, 29.5.-4.6.2016, NTNU		5	5
Communication	5		
LIN-8805 PhD special curriculum in Linguistics		5	5
Combined	30		30

The training components should contain 5 ECTS in “communication”. You were in 2012 admitted to a PhD programme in Linguistics and were a part of the research group CASTL. CASTL had extracurricular activities unlike other PhD programmes. Because you were a member of CASTL and because your other subject-specific courses have elements of “communication” in them we hereby conclude that you have fulfilled the demand for “communication” in your training component.

According to the PhD programme in Humanities and Social Sciences your training components which consists of 30 ECTS has been completed and approved.

Best regards,

Nina Norum Anda
