

29 April 2021

Dear Lise and Øyvind,

Thank you for inviting this revised budget in your Decision 2021/1235 (26.03.2021) approving my application for research travel funding. This budget reflects the following changes from my original:

- flying in and out of Glasgow, so as to keep Glasgow as "home base" for the duration of the research stay,
- accounting for travel costs between Glasgow and Dundee, to attend the Critical Legal Conference 2021, and between Glasgow and London, to do archival research at the International Maritime Organization (both previously described),
- revising my estimated budget for cost of living in Glasgow for 3 months (the outside range of 2-3 as previously described), and with up to a week of research stay in London, as previously described).

Revised budget:

research stay:

3 months Glasgow, 1 week London (accommodation and other living costs)

total: 65,000 NOK

travel:

Tromsø--Glasgow flights: 5500 NOK

Glasgow--Dundee trains: 700 NOK

Glasgow--London trains: 3800 NOK

total: 10,000 NOK

sincerely,

Julia Gaunce
