Re: Visit to Auckland University from 17th January – 10th April 2022

Dear Dr Siw Killengreen and Ingrid Jensvoll

On the behalf of the School of Learning, Development and Professional Practice, The Faculty of Education and Social Work at The University of Auckland, I am pleased to invite you to be a visiting researcher for a period of three months: 17th January – 10th April 2022.

During your stay, you will work with Vivienne Mackisack and other colleagues collaborating on both sustainable education and indigenous knowledge and language. Your focus will be on how these subjects are understood and developed in schools. We look forward to you sharing your expertise with us through informal collegial discussion and possible presentations.

During your time at The University of Auckland, you will be provided with office space, and all the facilities granted to faculty members including invitations to our department meetings and seminars.

It is my understanding that you will provide your own funding, to cover all the expenses of your stay at The University of Auckland, including housing and health insurance.

Yours sincerely

A/Professor Marek Tesar, PhD
Head of School and Associate Dean International
