Concerning the

Joint Nordic Master Programme in Environmental Law

This agreement continues **the 2018 Cooperation Agreement with appendices**, between **Uppsala University, the University of Eastern Finland and UiT The Arctic University of Norway**.

The 2018 Cooperation Agreement expired on 30 June 2021, and is hereby prolonged in accordance with Part XII, para. 1 and 2, except for Part IV 5 on Budget and Financial Distribution.

The previous Part IV 5 is replaced by the following provisions on *Responsibilities and Costs* once the final instalment from the Nordic Council is received. The responsibilities and costs are regulated as follows:

2. The Parties are co-responsible for the performance of the course activities in semester four, including teaching activities, approval of master thesis proposals, supervision, as well as assessment of the thesis. All Partners are responsible for their own costs.

The parties agree to extend the 2018 Cooperation Agreement with appendices subject to the above adjustments of Part IV 5 **for 3 years**, until the completion of the fourth cycle of the two-year programme by 30 June 2024. For students enrolling in the programme in academic year 2023-4, the 2023 Cooperation Agreement will apply.
