

Template to report changes in the syllabus and/or changes of course description, course content, learning outcomes

(Must be filled in by the subject teacher in consultation with the avelingsleder or program director)

<p>The change applies:</p> <p>Specify study program/year, subject/course and the number of credits.</p>	<p>JUR-3623</p> <p>15 credits</p>
<p>The change applies from:</p> <p>Specify from what semester and year (spring/autumn 202x):</p>	<p>Høsten 2023</p>
<p>Description of suggestion for change in syllabus:</p> <p>Specify author, title/headline, year and number of pages.</p>	<p><i>Fill in syllabus before the suggested change:</i></p> <p>Det er litt knotete å skrive inn en pensumliste, siden den pensumlisten som fremgår i tilknytning til fagbeskrivelsen inneholder både bilder og en annen formatering av publiseringsinformasjonen enn det som fremstår som naturlig. Derfor er det lagt ved et wordskjema hvor jeg har limt inn den gamle pensumlisten og hvor jeg med spor/ending har angitt hva som fjernes og hva som legges til.</p> <p><i>Fill in syllabus including the suggested change ("clean" version):</i></p> <p>Som over.</p>
<p>Updated reading list:</p> <ul style="list-style-type: none"> - Copy-paste the current syllabus in the subject/course and use "Track changes" to show which changes are done. 	<p>Se vedlegget.</p>

Explain why the syllabus should be changed:	Dagens pensum er i tråd med det utvidede pensumssidespennet som har gjeldt for NOMPEL frem til nå. Det foreliggende pensumsendringsforslaget er ment å tilpasse det eksisterende pensumet i faget det nye og lavere sidetallsspennet.
The total amount of pages in the course/subject before and after the change of syllabus.	Before change: 887 After change: 823
Specified explanation if the suggestion differ from the current syllabus norms (cf. syllabus norms specified on the last page):	Vi klarer akkurat å holde oss innenfor den nye maksgrensen på pensum, men ambisjonen må være å se om det er ytterligere muligheter for trimming av pensumet etter høstens gjennomføring av undervisningen.
Is a gender perspective included in the suggested syllabus, and/or is it gender balance between the authors of the syllabus in the current subject/course?	Kjønnsbalansen blant pensumsforfatterne er akseptabel. Fem artikler går ut, hvorav to er skrevet av kvinnelige forfattere, mens de to nye artiklene/bokkapitlene er jevnt fordelt mellom kjønnene (det ene har imidlertid flere forfattere).
Any other remarks:	Endringene er ellers oppdatering til ny utgave av læreboken til Tanaka – to av kapitlene der brukes som pensum i faget.
Overall assessment from avdelingsleder/program director:	<p>Is the suggested change in the syllabus supported by the avdelingsleder/program director?</p> <p>Yes [] No []</p> <p>If the proponent is avdelingsleder/program director: Do the teachers support the change in the syllabus?</p> <p>Yes [X] No []</p>

	<p>Do the syllabus change also necessitates a change in the subject/course description and/or the learning outcome descriptions:</p> <p style="text-align: center;">Yes [<input type="checkbox"/>] No [X <input checked="" type="checkbox"/>]</p>
<p>For suggested change in subject/course description:</p> <p>Fill in the suggested change of course description as a “clean” version:</p>	Se vedlegget
<p>For suggested change in subject/course description:</p> <p>Fill in the suggested change of course description by using “track changes”:</p>	-
